

Development Victoria is delivering the multi-use Fitzroy Gasworks Sports Centre in partnership with the Department of Transport and Planning, Sport and Recreation Victoria and Regions and Yarra City Council.

We are proposing a new car park within the Alexandra Parade median strip between Smith Street and George Street, opposite the Fitzroy Gasworks site, which could provide 79 new car parking spaces for future visitors of the Fitzroy Gasworks Sports Centre. If approved, the car park would be complete by mid-2024.

The car park will help alleviate traffic congestion on local streets and improve the safety of pedestrians and cyclists accessing the sports centre. Read our detailed frequently asked questions about the proposal here.

Provide your feedback

We want your feedback on the car park proposal to help us plan for the future of the Fitzroy Gasworks Sports Centre.

- **Learn more and complete a short survey:** development.vic.gov.au/projects/fitzroy-gasworks
- Speak with us: Corner Alexandra Parade and George Street, Friday 11 August at 4pm-5pm and Tuesday 15 August at 8am-9am.
- **Email us:** fitzroy.gaswork@development.vic.gov.au
- **Leave a message:** 1800 560 822.

The survey will close on Friday 25 August. Once feedback is received, reviewed and considered, we will generate an evaluation report which will be provided to Yarra City Council for consideration.

We are getting on with transforming the former Fitzroy Gasworks site into a neighbourhood with the works - diverse and affordable homes close to public transport, a senior high school, open space, multi-use sports centre and commercial spaces.
