

Eliza Street, Keilor Park

FACT SHEET | AUTUMN 2019

What is planned for the site at 46 Eliza Street, Keilor Park

Following a community engagement process in mid-2018, Development Victoria's intentions for the site at 46 Eliza Street, Keilor Park have been revised. The site will be sold as 28 residential lots, available for public purchase.

This will provide an opportunity for members of the community to purchase land and build much needed new homes in an established residential area that has experienced steady population growth. The amended proposal for 28 lots is in line with the current neighbourhood character of Keilor Park.

Site history

- The site was previously occupied by the Keilor Park Primary School which closed in 2009
- The City of Brimbank decided not to purchase the site following the closure of the school
- Development Victoria, the Victorian Government's property development and urban renewal agency, acquired the site in June 2017
- The land was rezoned in 2017 from Public Use Zone 2 (Education) to Neighbourhood Residential

Next steps

The 28 residential lots will be made available for public purchase in mid-2019. Proposed timing below:
