

Works Update

New Bulleen Soccer Facilities

Construction update

Removal of piling rig from site of new Bulleen soccer facilities on Templestowe Road

What we'll be doing

Since early May we have been working to prepare the foundations for the new pavilion. This included using a large piling rig to drill holes into the ground.

Now that the drilling has been completed, we will be removing the piling rig from the site at 27-59 Templestowe Road, Bulleen.

The piling rig and other equipment will be removed from the work site from **approximately 2.30am this Tuesday 30 May** with traffic management teams to ensure its safe removal. We need to remove the rig at this time to reduce traffic impacts to Templestowe Road. We appreciate your patience and understanding during these works.

What this means for you

While the piling rig is being removed, you may notice:

- Some increased light and noise near the site entrance
- Increased activity with extra workers and construction vehicles on site.

To ensure your safety and the safety of workers, please follow all signage and instructions.

Managing impacts

We carefully manage our works to avoid impacts to the local community and environment

This includes:

- Working during the day where possible.
- Securing work sites with fencing.
- Minimising noise at the source.
- Preventing dust and water runoff using water carts.

Changes to speed limits in front of site

To improve safety for drivers and construction workers, the speed limit on Templestowe Road near the site entrance has been reduced from 70km/h to 60km/h. This reduction will be in place until **early 2024**.

Please take note of the changed traffic conditions as you drive past the site.

New facilities

The new sports precinct will help ensure that local soccer clubs continue to thrive while significant North East Link construction is underway at Bulleen Park. The new pavilion and soccer pitches will be ready for play next year.

Our community engagement team is available by calling 1800 105 105 (call anytime) to discuss these works if you have any questions.

We appreciate your patience and understanding throughout these works.

Schedule is subject to change. Visit northeastlink.vic.gov.au/works for schedule changes.
 For more information call **1800 105 105** or visit the Hub at **17 Watsonia Road, Watsonia**.
