# Old Kyneton Primary School

## Project Community Update

**Subject: Old Kyneton Primary School redevelopment community update – tree removal on Ebdon Street**

This notification is to inform the community that a tree within the Old Kyneton Primary School site located along the boundary on Ebdon Street has been identified as a significant and immediate risk of personal injury and property damage and will be removed. Please refer to image attached for reference.

This emergency removal is being undertaken by a qualified arborist on **Monday 4 September**.

The arborist has assessed that all other trees on the property are in good or fair health. These trees will not be impacted by the redevelopment project.

The Master Plan landscape design for the site includes the planting of over 5000 new plants endemic to the local area, including 12 new trees.

**Please note:** Traffic and pedestrian management and all safety requirements will be managed during the tree removal process.

For more information on the project, please see <https://www.development.vic.gov.au/projects/old-kyneton-primary-school>

If you have any questions about the tree removal please contact Doug Anderson, Site Manager, McCorkell on M: 0488 998 714 or email to Creative Victoria - [cvinfrastructure@creative.vic.gov.au](mailto:cvinfrastructure@creative.vic.gov.au)
