

# Twelve Apostles Precinct Redevelopment

Artist impression: Visitor Centre

**We are excited to announce that the Twelve Apostles Precinct Redevelopment is underway.**

The redevelopment delivers infrastructure projects in the Shipwreck Coast region from Loch Ard Gorge to Gibson Steps.

Start of works is expected in 2024.

Once complete, the Twelve Apostles Precinct will change how visitors experience the region.

It will provide streamlined access to nature's greatest attractions, while protecting the environment and cultural history at this spectacular location.
