# Twelve Apostles Precinct Redevelopment

Artist impression: Visitor Centre

## The Twelve Apostles Precinct Redevelopment delivers infrastructure projects in the Shipwreck Coast region.

**The Project includes the Shipwreck Coast priority projects in two phases – coastal and main works, and the Private Sector Business Enablement Fund.**

Once complete, the Twelve Apostles Precinct will change how visitors experience the region. It will provide streamlined access to nature's greatest attractions, while protecting the environment and cultural history at this spectacular location.

### Coastal works

The coastal works will improve or build new coastal attractions. The proposed works\* include:

- revegetation and safety improvements to the Loch Ard Gorge carpark
- safety upgrades at Gibson Steps

- upgraded visitor lookouts at Twelve Apostles and Gibson Steps, including an all-weather amphitheatre at the Twelve Apostles lookout
- potential for new lookouts between the Twelve Apostles and Loch Ard Gorge
- a new transit pod at Loch Ard Gorge and other precinct-wide connectivity improvements are proposed to support sustainable transport.

\*subject to regulatory controls and approvals.

### Main works

Main works feature a new Twelve Apostles Visitor Experience Centre, and is also proposed to include:

- a park and ride facility
- a temporary event space
- substantial revegetation,

landscaping, gardens and walking trails

- new access roads
- better parking
- a visitor shuttle shelter, eBike parking and toilets.

The Project will also fund water, electricity, and road infrastructure improvements. This will support local businesses and make local services more accessible.

The Australian Government is contributing \$88.15 million to the project, with the Victorian Government contributing \$20 million – bringing the total project value to \$108.15 million.

Australian Government

At Development Victoria,  
we create places for people.

We are a government agency partnering with industry and communities to transform ambitious ideas into reality.

We reimagine iconic places like the Melbourne Arts Precinct, Flinders Street Station and Melbourne Park to transform them for future generations. We develop entire precincts like Docklands and Fitzroy Gasworks – unlocking public land to create connected, sustainable places where people can live close to jobs, services and transport. We build homes in places people genuinely want to live – and we sell them to Victorians on average incomes, so they too can have the security of a place to call home.

Together, we deliver places that make a genuine difference to the people of Victoria.

If you require information in another language, please call us on **9280 0755**

In the spirit of reconciliation, Development Victoria respectfully acknowledges the Traditional Custodians of Country throughout Victoria. We recognise their continuing cultural heritage and connection to land, and pay our respects to their Elders, past and present.
