## Movement of machinery from site

Dear resident,

Works on the new Bulleen soccer facilities at 27 – 59 Templestowe Road continue, with new soccer pitches taking shape and the foundations of the new pavilion almost complete.

Work crews will be moving large machinery from the site between 2.30am to 8am on **Saturday 1 July**. The equipment will be returned to the site on **Sunday 2 July** at 9am.

Residents may experience increased light and vehicle noises as part of these works. We appreciate your patience and understanding during these works.

Please contact the project team on 1800 105 105 if you have any questions or require further information.

Please note dates and times are subject to change.
