Underground cable installation – road closures Kavanagh Street, Southbank March to April 2026

CitiPower is working to deliver a new connection in Southbank to build more capacity in the local electricity network.

As part of works to upgrade Melbourne Arts Precinct, we'll be completing works on Kavanagh Street.

To minimise disruption and ensure businesses remain accessible, we're staging how this work is delivered.

This notification will outline some of the stages that will be implemented to get this work done with minimal impact – *please refer to the maps over the pages for the detail.*

Timing

Kavanagh Street north lane and Fanning Street 9pm to 6am Monday 16 to Friday 27 March

We'll be working in north side lane on Kavanagh Street, partial road closure and the entrance to Fanning Street will be closed.

Kavanagh Street car parks 7am to 5pm Monday 30 March to Friday 17 April

We'll be working in car parks on the north side of Kavanagh Street, partial road closure.

Traffic impacts

- Local traffic to car parks and service entrances will be maintained at all times.
- Pedestrian access will be maintained at all times.
- Traffic control will be in place to safely guide vehicles, cyclists and pedestrians around the work area.

What to expect

- On-street car spaces within the work zone will be temporarily closed while work is underway.
- Electricity supply will be maintained, there are no planned outages during these works.
- Works will involve multiple crew and vehicles, excavation works and installing conduit underground in the street.
- Some of this work will be noisy.
- Please be aware that works can sometimes take longer than expected or need to be rescheduled due to weather and other factors outside of our control.

Who are we?

We deliver electricity to a 157kilometre square region across the Melbourne CBD and inner suburbs, and provide power to more than 382,000 customers.

CitiPower is the most highly utilised and efficient CBD and urban network in the country.
