Nyaal Banyul Geelong Convention and Event Centre – Community Update – 20 September

Community Information Session

Construction of the purpose-built convention and event centre has started and will be complete in 2026.

Join the project team to hear about the vision, design and construction progress and ask any questions you might have.

10 October 2023, 6.30pm – 8.00pm
Geelong Library, Wurdi Youang Room
51 Little Malop St Geelong, Victoria

For more information and to RSVP, please send an email to gcec@development.vic.gov.au.

Works Update

The project building contractor, Built has commenced site establishment works, including the installation of site hoarding and site amenities. We anticipate completion of the hoarding by October.

Retention piling is scheduled to follow, with bulk excavation occurring concurrently and continuing through to the end of the year.
