

# Works Update

## New Bulleen Soccer Facilities

### Construction update

#### Pavilion foundations for new soccer facilities in Templestowe Road, Bulleen

#### What we'll be doing

From early May we will be working to prepare the foundations for the new pavilion. This will include delivering a piling rig to the site that will drill holes into the ground.

#### Where and when we'll be working

We'll be working from **Monday 15 May** until **early June** at 27-59 Templestowe Road, Bulleen - the site of the former Bulleen Driving Range.

#### What this means for you

While the piling rig is in operation, you may notice:

- Increased noise, vibration and dust from machinery and equipment
- Increased activity with extra workers and construction vehicles on site.

To ensure your safety and the safety of workers, please follow all signage and instructions.

#### Managing impacts

We carefully manage our works to avoid impacts to the local community and environment

This includes:

- Working during the day where possible.
- Securing work sites with fencing.
- Minimising noise at the source.
- Preventing dust and water runoff using water carts.

#### Piling rig delivery on Wednesday 10 May

The piling rig and other equipment will be delivered to the work site from **4am** this **Wednesday 10 May** with traffic management teams to ensure its safe delivery. We need to deliver the rig at this time to reduce traffic impacts to Templestowe Road. Nearby residents may experience some light and noise increases while the rig is unloaded. We appreciate your patience and understanding during these works.

#### Changes to speed limits

To improve safety for drivers and construction workers, the speed limit on Templestowe Road near the site entrance will be reduced to 60km/h from **Friday 12 May to early 2024**.

Please take note of the changed traffic conditions as you drive past the site.

#### New facilities

The new sports precinct will help ensure that local soccer clubs continue to thrive while significant North East Link construction is underway at Bulleen Park. The new pavilion and soccer pitches will be ready for play next year.
