

Melbourne Arts Precinct Transformation

Construction update

May 2024

Arts Centre Melbourne car park

From Tuesday 21 May until Monday 1 July, Arts Centre Melbourne's Car Park entry and exit will be **via Southbank Boulevard only**.

There will be no access in and out of the car park via Kavanagh Street for this period. Please follow the signs directing vehicles to the Southbank Boulevard entrance.

The changed traffic conditions may cause delays so ensure to allow extra time to reach the venue.

All cars exiting the car park must turn left onto Southbank Boulevard.

This temporary change to Arts Centre Melbourne's Car Park means that we will be able to fast track important works in the Kavanagh/Sturt Street intersection to reduce future disruption to the precinct.

The Primrose Potter Australian Ballet Centre car park in Kavanagh Street remains open during this time.

77 Southbank Boulevard deconstruction

To make way for the new The Fox: NGV Contemporary, we are in the process of deconstructing the former CUB building at 77 Southbank Boulevard.

Slab removal is continuing, which involves the use of staged jack hammering.

A long reach excavator will be arriving onsite over coming weeks. The noise levels will decrease when this stage begins.

Local residents and businesses who may be impacted by any upcoming out of hours movement will be notified accordingly.

We are constantly working with our contractor on ways to minimise the impacts.

For more information on the deconstruction process and construction noise and vibration, there are a number of information sheets on **our website**.

Authorities

Authorities works are continuing to take place along Kavanagh Street, Fanning Street, Fawkner Street, Sturt Street and Southbank Boulevard. These works have been, and continue to be, staged along each street to minimise disruption.

Works are currently taking place along Southbank Boulevard with traffic management in place as required.

For more information, contact Harris Civil on **(03) 9523 5528**.
