New Bulleen Soccer Facilities

Construction update

Site preparations are starting as we get ready to build the new soccer facilities in Templestowe Road, Bulleen.

What we'll be doing

From mid-March we start to prepare the area to lay the foundation for the new pavilion, as well as beginning works on the pitches and car park.

This will involve:

- Earthworks to level the area.
- Beginning to install the foundations of the new pavilion.
- Some tree and vegetation removal.

Where and when we'll be working

We'll be working between **7am and 5:30pm, Monday to Friday** and between **8am and 5pm on Saturdays** at:

- 27-59 Templestowe Road, Bulleen - the site of the former Bulleen Driving Range

What this means for you

You may notice increased activity in the area, with extra workers and construction vehicles on site, including arborists.

You may also notice some noise, vibration and dust from machinery and equipment.

To ensure your safety and the safety of workers, please follow all signage and instructions.

Managing impacts

We will be carefully managing our works as best we can to minimise impacts to the local community and environment.

This includes:

- Working during the day where possible.
- Securing work sites with fencing.
- Minimising noise at the source.
- Monitoring and managing dust and water run-off.

New facilities

The new sports precinct will help ensure that local soccer clubs continue to thrive while significant North East Link construction is underway at Bulleen Park. The new pavilion and soccer pitches will be ready for play next year.

Our community engagement team is available by calling 1800 105 105 (call anytime) to discuss these works if you have any questions.

We appreciate your patience and understanding throughout these works.
