

New Bulleen Soccer Facilities

Works Notice

Intersection and new pedestrian crossing

What we'll be doing

We're building a new intersection, pedestrian crossing, and footpath near the entrance at 27-59 Templestowe Road to make it safer to enter and exit the new soccer facilities.

The new intersection will have dedicated turning lanes and traffic islands to improve traffic flow.

Where and when we'll be working

We'll be working **from late-November until March 2024** at the intersection of Templestowe Road and Rosemont Drive, Bulleen.

Works will take place **Monday to Saturday from 9.30am to 3.30pm.**

What this means for you

- Reduced speeds on Templestowe Road when we're working with signage and traffic controllers to guide you through the area
- Some changes to local traffic near the service road
- Some increased noise and construction activity near the site entrance, as well as at the service road between Helene Street and Rosemont Drive, when we connect utilities (refer to map)
- As previously notified, a 60km/h zone will be in place near the site entrance when works are finished.

Roadworks nearby in Bulleen

North East Link crews are getting ready to build the North East Link tunnels in Bulleen.

To prepare for these works, Bulleen Road is closed in each direction from **Friday 24 November until Tuesday 5 December.**

Detours will be in place. Access to the Veneto Club, local schools, clubs and sporting grounds will remain open.

More details are available at:

New facilities

The new sports precinct will keep local soccer clubs thriving while North East Link construction is underway at Bulleen Park. The new pavilion and soccer pitches will be ready next year.

Our community engagement team is available by calling 1800 105 105 (call anytime) to discuss these works if you have any questions.

Schedule is subject to change.
