## Intersection and new pedestrian crossing

We're working at the intersection of Templestowe Road and Rosemont Drive to improve the intersection and build a new pedestrian crossing and footpath. This will make it safer to enter and exit the new soccer facilities at 27-59 Templestowe Road, Bulleen.

Works at the intersection will continue until **mid-April 2024, Monday to Saturday from 9.30am to 3.30pm. Overnight works may be required.**

There will be reduced speeds on Templestowe Road during these works and traffic controllers will guide you through the area. There may also be increased noise, dust and construction activity near the site entrance, as well as on the service road between Sheahans Road and Rosemont Drive.

Please contact the project team on **1800 105 105** if you have any questions or require further information.

[Please note dates and times are subject to change.](#)
