## Testing field lighting at new soccer facilities

Dear resident,

We're close to finishing works on the new Bulleen soccer facilities at 27-59 Templestowe Road.

We'll be testing the new lighting at the facility on **Wednesday 1 May between 6.30pm and 9.30pm.**

This test will ensure that the lighting focuses directly onto the fields and car park, minimising light spill into surrounding areas.

Please contact the project team on 1800 105 105 if you have any questions or require further information.

Please note dates and times are subject to change.
