Night works for utilities installation

Dear resident,

To prepare the new soccer facilities at 27-59 Templestowe Road, Bulleen, we need to connect utility services to the site.

Crews will be working for up to seven nights from **Monday 27 May** between **9pm and 5am**.

You may notice increased light, noise, dust and construction activity during this time.

One lane of Templestowe Road will be closed during works. Traffic management will be in place to ensure driver safety.

If you have any questions and would like to speak to a member of the project team, please contact us on **1800 105 105** or email us at **contact@bigbuild.vic.gov.au**.

Please note dates and times are subject to change.
