

Bendigo Stadium

March 2025

Development Victoria is looking forward to delivering upgrades to Bendigo Stadium as part of the Regional Sports Infrastructure Program.

The upgrades* will include:

- New two court annex
- Refurbishment of Courts 9 and 10 (existing courts)
- Upgrades to improve existing stadium including accessibility upgrades to entrance, backup generator, main switchboard, and installation of solar
- Compliant lighting to outdoor netball courts
- Car park improvements.

We are continuing to progress our designs for Bendigo Stadium which will boost local jobs and businesses during project delivery and will support the continued growth of the Bendigo region for years to come.

Works on this exciting project are set to commence in September 2025.

*Subject to planning approval and the outcome of a procurement process

Frequently asked questions

How will access to the Stadium be impacted during the upgrades?

Bendigo Stadium will remain open throughout the upgrades, and we will work with the venue operator Bendigo Stadium Limited to minimise impacts to users. We will communicate with user groups in advance if there are changes regarding to access to the stadium.

The stadium carpark will remain open during the upgrades, but we expect there to be some spaces which are not accessible while the works are underway. This will also be communicated with users as plans progress.

How can the community give feedback on this project?

The Minister for Planning has been asked to consider the project as a State Project under Clause 52.30 of the Greater Bendigo Planning Scheme. Community members can provide a written submission at engage.vic.gov.au/bendigo-stadium-upgrades which will be open until Thursday 3 April 2025. This will be the final opportunity to provide feedback on the project.

While designs are well-progressed, all feedback received will be considered as part of the final stages of project planning and delivery.

What is the project timeline*?

Stay in touch

We're committed to keeping you updated as our work on the Bendigo Stadium continues. Stay tuned for future updates, or feel free to reach out any time via the contact details below.
